Ashtin Reich **Candidate for your 43rd Regional Aleph Moreh**

I am running for the High and Honorable position of Big Apple Region's Regional Aleph Moreh. I plan to engage as many Alephs as possible in the programs and events held in our region, and I will work on many of my ideas regarding our programming and conventions with regional board and my counterpart from our BBG's regional board. I believe that I am qualified for the position because of my experience in bringing new members to a struggling chapter. First with Leviticus and now in Exodus, barely getting 4 members to a meeting to having over 16 constantly coming. As your serving 1st Regional Gizbor I took on a position with absolutely no precedence and created new and innovative ways to achieve our goals as a region. As your Regional Aleph Moreh I will do the same, create new ways to bring members in the door and keep them here.
