THE CONVENTION OF A LIFETIME

Judaism is woven into our lives in ways we don't realize, which is why Kallah is structured after a Jewish lifetime. Together we will go through the important milestones, connect to our roots and find our paths to grow. On October 16-18th, all of our Jewish journeys will intersect at this convention, and we will come out the other side enriched in what Judaism has to offer us

Naming Ceremony

By your Coordinators, finding the roots to ourselves, redefining how our names define us

B'nai Mitzvah

By your Judiac Enrichment Team, Ethan Torban and Annabelle Honigstein, how the beginning of our jewish adulthood led us to where we are now

Life Reflection

How has Judaism shaped our lives, and how will it continue? By Your Narrative Leaders during Block 3

Jewish Wedding

Our Saturday Night escape room fun! Narrated By Narrator Nir Reiter, Convention Narrator
