

Hi. I'm Aleph Blair Oakley Bishop and I am very excited to announce my candidacy for Moreh of VAC. I have always wanted to be the one who pulls the strings in the background of all things BBYO, and by recruiting others to our order it would feel like a dream come true. I have plenty of ideas that, when executed, will help us as a council and region. One of the most pivotal moments in my BBYO career was meeting out of state members at MIT-AIT and just stepping out of my comfort zone. With the help of my counterparts, I could change the lives of so many young Alephs and BBG's as much as mine was. I would plan to encourage more and more socializing without supervision. Meaning more senior led events with minimal staff interference to show how us as teens can all relate while learning everything about BBYO in general. Another idea of mine is to have frequent communication with the chapter Morim as a group. The best way to do this is with a zoom call where we talk about recruitment goals and other goals, using each other as a critic system. I feel that my passion for BBYO and its continuation can propel the 2021-22 term's membership to record levels of recruitment, participation, and retention.
