My Brother Alephs,

I have loved almost every moment of my BBYO experience. Through my time in NCC, I have realized how passionate I am about leadership, Judaism, brotherhood, and the BBYO community. The brotherhood we possess in NCC rivals any other council or region in the international order. I know that Godol is the best platform for me to give the younger Alephs of our council an incredible brotherhood like I had.

Fraternally submitted with undying love for Hank Greenberg AZA number 60104 I forever remain, Aleph Eddie Horwitz
