## Foreword:

My Brother Alephs,

Just being in this position feels surreal. For four long years, I have been inspired by every single one of you, and I feel that it's my turn to give back. I want the chance to lead all of you because I see the potential that you all hold, and I want to help you channel it. **As Godol, I will give my all to you. As Godol, I will help you give your all to AZA and its advancement.** There is no limit to the greatness we can achieve in the next year, and I want every Aleph in NCC to witness it. If elected, I will do everything in my power to **give you the experience that you have given me.**

Fraternally submitted with undying love for Mickey Barak Aberman #948-1704, North Carolina Council AZA, Eastern Region #6, Regionals 2019, and the International Order of the Aleph Zadik Aleph, I forever remain Aleph Sam Schulman.
