My Brother Alephs,

I am very excited to have this opportunity to be your NCC Moreh. BBYO has helped me become a better friend and a better brother. I will give this feeling back to all of my fellow Alephs. I believe that as Moreh, I can strengthen and grow our brotherhood throughout the region.

Let us go into this year with love and respect. Let us create a new common brotherhood, with a renewed sense of belonging for the region that we cherish. Let us connect with old friends and new. Let us exemplify what it means to be Alephs.

Fraternally submitted with undying love for the best region in the entire order, Eastern Region #6, Hank Greenberg AZA #60104, I forever remain, Aleph Daniel Oringel.
