My Sister B'nai B'rith Girls,

Wake up the members of NCC BBG nation, it's OUR time to be!! This will be OUR year. Our year of exponential growth, increased connection to Judaism, elevated programming, eye-catching publicity, and so much more. Our best year yet, and I know somehow we're gonna get there, because together we are invincible, because we are BBGs, and strength and dignity are our clothing. We can do anything we set our minds to, and I promise to ALWAYS be there for each and every one of you to help you achieve your goals and dreams. I want to reach each and every Jewish teen here in North Carolina, and help them to discover the magic of BBYO, and the amazing sisterhood of NCC BBG. I want to help every BBG in our council to grow a strong passion for BBYO, and to help inspire our next group of leaders. I want our council to grow, to connect, and to love like never before, and I could not be more excited to have the opportunity to lead the best group of BBGs in the Order!! Submitted with undying love for iCarly, seeing the brighter side of every situation, you, me, and NCC BBG, I forever remain

Hannah Gabrielle Ross

A damn proud candidate for YOUR 31st NCC N'SIAH, and an even prouder BBG
