

Candidate for the 30th VAC Aleph Shaliach - Aleph Blair Oakley Bishop

Judaism has been a large part of my life and I want others in my chapter to see that it can be a large part of their life as well. I would like to help increase the amount of Jewish experiences in all of your BBYO careers. My goals for this coming term are to find a stand-up, increase the J-serves we do, and do more Jewish-related programs. Stand-up would be mutually beneficial for every member. I spend my weekends giving back to my temple and I think we should do more volunteering opportunities like that so we can show how we care for our communities. This Jewish youth group would have no meaning if we did not devote most of the time we spent together to Judaism. My goal is to make BBYO a more Jewish-based youth organization than it has been in the past. Judaism is the most important aspect of my life and I want to instill the same idea across our entire council. Through Judaism and community service, we can make Virginia Council amazing.
