## My Sister B'nai Brith Girls,

As Dr. Seuss once said "You're off to Great Places! Today is your day! Your mountain is waiting, So...get on your way!" With me as your 30th VAC S'ganit I will constantly put in 110% effort so that we as Virginia Council can reach Jewish teens across the state and show them the true purpose of BBYO. BBYO provides me with a safe space where I can be myself and experience new, exciting moments with my closest friends. Keep Dr. Seuss and all his quirky characters in your heart because today is the day that we put VAC on the map as a strong council full of powerful leaders who are goal driven and are making a positive contribution to the International Order. Think of Dr. Seuss's book that we used to read as kids, there are so many uplifting messages hidden within those pages. Never underestimate the power of a determined group, if they want to climb a mountain they will. So get on your way and let's may this 30th year one to remember.

Submitted with undying love for Dr. Abraham Cohen BBG #1172, Eastern Region #6, Quesadillas, Dairy-free ice cream, Quinn XCII, CLTC 8 2019, Horton, Green Eggs and Ham, the International Order of the B'nai B'rith Girls, and All the Places We Can Go Together!

*I forever remain*

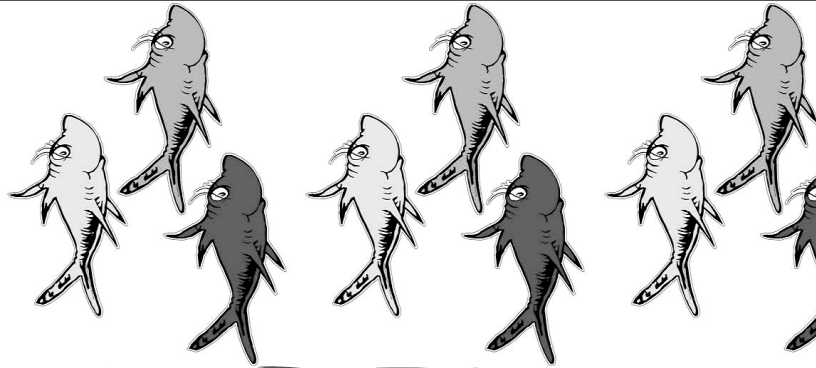

*Rachel Gordon*

A Damn Proud Candidate for your 30th  
Virginia Council S'ganit

# Goals and Ideas

## Counterparts

- have a call at very beginning of the both terms with entire VAC S'ganim network and international S'ganit
- strengthen programming communication on a regional level, introduce and connect the chapter S'ganim, so that they can use each other as a resource
- have a monthly check-in with each individual S'ganit, where we go over their ideas and goals and how programming can be strengthened
- have chapter S'ganim fill out and turn in an outline to me 2 weeks prior to the program, so that we can make sure that they are no logistical problems
- have counterparts plan a Virginia Council wide program

## Regionals

- promoting engaging and interactive programming in order to maintain participation from convention attendees
- continue chapter showcase at Regionals
- widespread communication prior to Regionals in order to increase VAC involvement in chapter showcase, RLN, and other leadership opportunities
- make Regionals one day longer for the purpose of growing friendships throughout Eastern and allowing us to have enough time to make a positive impact on the community
- break record attendance
- allow attendees to have more freedom in choosing activities to participate in

## Personal Goals

- increase IC program showcase participation throughout Eastern Region
- by the end of next spring term, tidewater have half of their programs as separate BBG chapters and have of them together
- program with the intent of instilling a love of bbyo into participants as well as having people leave with a valuable life lesson
- make an Eastern wide program bank, update it regularly and make it available to all the chapter S'ganits
- work cohesively and form bonds with my counterparts, board members, and Cos
- be a role model for all BBGs
- respond to everything within 24 hours
