

Aleph Michael Soverinsky

Candidate for the high and honorable position of Michigan Region's 96th Regional Moreh

My Brother Alephs,

The time is now. It's time to pave the way for the future leaders of our region. It's time to explore our beliefs and culture together. It's time to lead as one and make a difference in our community. It's time for AZA.

This is the year for our region. I am positive that with the help of each and every one of our members, Michigan Region will thrive. We will exceed our membership goals. We will come up with the best and most creative programs. Most importantly we will strengthen our brother and sisterhoods. It's time to stand together and build a future for our region.

BBYO is something special that we all get to be a part of. We need to share this special experience with future leaders. This year Michigan Region's recruitment will be like never before. With the help from the Regional Morim each chapter will have the necessary tools to properly recruit and share the BBYO experience with these future leaders. We will show these new members how amazing BBYO is and how lucky we all are to be involved in this organization.

BBYO is all about inspiring and creating new leaders. This year, Michigan Region will do exactly that. New Members will be educated by their Chapter Morim and will gain the important skills to become a leader in our movement. These new leaders will be encouraged to attend conventions like YLC and CLTC to further grow their knowledge of BBYO and how to be a leader. I'm certain that with the help of all chapter leaders Michigan Region's Convention and Summer Program attendance will sky rocket.

This year, Michigan Region will be the "IT" Region. Other regions will look at us and applaud at our success. We will surpass all our goals and grow together as a region. We are one. We are Michigan Region.

Let's work together and make 96/76 the best year yet!

Fraternally submitted with undying love for Max Fisher AZA #337, Michigan Region #1701, and The Grand Order of the Aleph Zadik Aleph, I forever remain Aleph Michael Aaron Soverinsky
