THE GAME PLAN

“Never too many.
Never too strong.
Always AZA!”

1. The Chapter

- Strengthen communication with chapter counterparts and boards as a whole
- Establish a "checks and balances" system for chapters and board members to make sure all are contributing to max potential
- Establish chapter support networks to share successes and failures for better growth

2. The Region

- Shift focus towards all chapters not just those that are thriving
- Promote better interconnectivity among all chapters while still preserving individual identities
- Allow for greater chapter input in regional business
- Gain better overall knowledge of AZA at home and abroad

3. The World

- Create a wider spectrum of influence in our region from others around the globe
- Promote greater involvement internationally such as summer programs, ambassadors, ILN, etc.

My brother Alephs,

Our region is one of the biggest and best in the order. We are a powerhouse, and the entire order knows it. However, sometimes we let our power get to our heads, and it spoils the strong brotherhood we have. I want to change this, and use our strengths to enrich the BBYO experience for all Alephs in NSR. I know that we have the potential to take our region to new heights. I know our leadership is strong. So what's holding us back? Let's make the changes we need to fly to new heights. NSR, allow me to spread our wings, and take us there.

Fraternaly submitted with undying love for the Grand Order of the Aleph Zadik Aleph, Nassau Suffolk Region #19, Chazak AZA #2300 and my heart and home New Frontier AZA #1512. I forever remain, Aleph Alex Noah Goodstein, One damn proud candidate for your 63rd Regional Aleph Godol.
