- ★ Junior Prom Committee

“Challenges are what make life interesting. Overcoming them is what makes life meaningful.”

- Joshua J. Marine

Goals

1. Build A Brighter Future

- ★ Nassau Suffolk may be at the top of the list for most members in the International Order; however, the numbers shouldn't even be close considering the amount of Jewish teens across Long Island. That being said, you cannot just get a teen to sign up and be done. Quality members only come about after they test BBYO out. After a potential new member witnesses his chapter's atmosphere, then he will be able to submerge himself into BBYO as a valuable member to the community.

2. Maintain Upperclassmen Attendance

- ★ It is essential that the older members of each chapter stay involved because it is their duty to lead the way for the future of our region. Traditions are only passed on if the upperclassmen stick around.

3. Enforce Constant Communication

- ★ Communication is vital to ensure that not only the Chapter Moreh is recruiting, but the rest of the board as well. Moreh is a position that overlooks membership in their chapter and takes charge when necessary.

To My Brother Alephs, I am beyond excited to run for your 63rd Regional Board. Not only am I fully capable of handling the responsibilities that come along side with Regional Moreh, but I believe I can bring NSR to another level. My whole journey in BBYO has led me to this and it is fair to say that my hard work has paid off. However, my journey would have never started without a little bit of luck. I joined BBYO without knowing anyone from another town or a different grade level. All it took was one upperclassman, who transformed my life into something amazing. After joining BBYO, it seemed as though I started living a whole different life, but now, I am proud to say BBYO is my life. My goal is for all Alephs to feel this same passion for this organization. I want everyone to make connections with Brother Alephs and Sister BBG. So for the upperclassmen, be that role model and lead the way for the future of our region. And for the younger members, don't be afraid to branch out because that is how you will make lifelong connections. I want you all to know that I have your back and don't hesitate to ask me any questions. Fraternaly submitted with undying love for the Alephs of the Past, Present, and Future, my heart and home Neshar AZA #1005 of the Nassau-Suffolk Region #19, and the International Order of the Aleph Zadik Aleph, I forever remain one damn proud Aleph,

Joseph Scott Ruvo
