- Member of International Leadership Network
- The Menorah Pledge and Cardinal Principles Award
- The Bronze Shield of David Award
- The Silver Shield of David Award

*"Nothing great in the world has ever been accomplished without passion."*

# Goals and Ideas for the Upcoming Term

## Regional Calendar

For years, NSR has constantly ran the same calendar and it is time for **change**. More regional meetings are essential as giving opportunities for **interaction** will make everyone feel a **stronger connection** to the region and their brother Alephs.

### New Regional Programs:

- Extra Brotherhood Overnight in the winter
- Regional Mets Game in the spring
- AZAA Spikeball
- Regional SkyZone Event

## Aleph Engagement

Programming that inspires **connection** will lead to increased engagement across the region. With more Alephs engaged, each chapter will be **elevated** and this is crucial for the region. I want to give more Alephs the **opportunity** to feel that they are **contributing** and **involved**.

### Engagement Opportunities:

- Brotherhood Overnight Steering Committee
- Feedback about regional programming through Google forms and polls

# A

## S'ganim Network

Maximizing the potential of the S'ganim network is a top priority. I aspire to be an outlet of **support** and **advice** for every S'gan and every chapter as a whole.

### Counterpart Work:

- Monthly calls, as a network and one-on-one, that review the previous month of programming
- How To Separates workshop at RLTI for all the S'ganim. This will bring meaningful programming back to their chapters.

## Inspiring the Next Generation of NSR

**Molding** the **future** leaders of the region next year is **critical**. We must ensure that the region is in good hands for **years to come** so that the work we will accomplish next year does not go to waste.

### How to Achieve:

- Planning leadership workshops for younger Alephs that the regional board will run
- Improving Programming Committee on RLN

My Brother Alephs,

It is a honor and a privilege to stand before you as a candidate for your 63rd Regional S'gan. Over these past few years, I believe that the region we love has been treading water and I know that it is time for change. With over 1600 members, we have so much potential that is yet to be capitalized on, and I want to ensure that our region taps into this potential and turns it into results. It is my top priority to leave this region in the best place it can possibly be with strong chapters, inspired leaders, and most importantly, programming that invokes connection. We are all connected through the force that is AZA and programming is the foundation of this connection. I want to ensure that we have the strongest foundation possible next year and for years to come. The Nassau Suffolk Region can be propelled to unprecedented levels next year, and I will work tirelessly and put my everything into making this dream a reality. *Fraternally submitted with undying love for every Aleph of the past, present, and future, the Grand Order of the Aleph Zadik Aleph, the Nassau Suffolk Region #19, and my heart and home, New Frontier AZA #1512, I forever remain Aleph Lawrence Andrew Osher.*
