

Nathaniel Lyon Kimball

Caucusing for the high and honorable position of
14th Regional Aleph Ozer of Nassau

My Brother Alephs,

It is truly an honor to have the opportunity to caucus for a position on Nassau Suffolk's 63rd Regional Board. Although we already are a prospering brotherhood, there is still much more we can do to enrich the BBYO experience for the members of NSR. It is my mission to ensure NSR reaches its potential and our chapters are individually thriving.

Fraternally submitted with undying love for Nassau Suffolk Region #19, the Grand Order of the Aleph Zadik Aleph, and my heart and home Port Washington AZA #1349,

I forever remain, Aleph Nathaniel Lyon Kimball

Goals and Ideas

Focus on Small Chapters

- Strong membership is essential to creating a thriving, self-sufficient chapter
- It is my mission to see that all chapters come out of the upcoming term with more members and more engagement on a local level
- My three step plan:
 - New and exciting programming to boost attendance
 - New recruitment techniques like reaching out to parents on facebook
 - Pushing convention attendance which has in my experience increased member retainment

Communication

- Facilitate interchapter communications for the sharing of ideas, programs, and recruitment strategies
- Create a group chat of Nassau chapter board members so they have a support system and a place to ask questions
- Hold monthly zoom meetings, or as needed, to check on Nassau Chapters and provide advice
- Reaching out to local synagogues and hebrew schools to find new interested Jews

Meaningful Programming

- BBYO is about more than just superficial fun, it is about making a lasting impact within our community
- Some themes I will push for in regional and chapter programming include:
 - Anti-semitism Awareness
 - Region-wide COVID-19 relief project
 - Mental health awareness
- Utilize BBYO chapter initiatives like
 - Challah for hunger
 - Baking challah and learning about hunger while raising money
 - Zikaron BaSalon
 - Promotes holocaust education
