

Caucusing for Regional Ozer of Suffolk of NSR #19

I AM ALEPH STEVEN PARKER SHAPIRO

My Brothers Alephs

It is truly an honor, standing before you running for your 14th Regional Ozer of Suffolk. The reason I stand here today is because I felt a moral obligation to give back. These past 3 years I have been involved in this organization is life changing to say the least. The memories, the lessons, the friends, and most importantly the brotherhood I have gained since joining BBYO. There is a bond, a sense of fraternity between brother Alephs that simply can't be explained with words. Thus, I am here today, cucausing to try to fulfill my goal to create the same opportunity I was fortunate enough to be given and to create for Alephs all over. If elected, I pledge my dedication, devotion and loyalty to working toward my goal and the success not only for the current moment but for the Alephs that one day will fill the seats we sit in now, so they can too enjoy their time here, making memories and bonds that will last a lifetime.

Fraternally Submitted With Undying Love for The Nassau Suffolk Region #19, and my heart and home Samson AZA #1656, I forever remain one damn proud aleph, *Steven Parker Shapiro.*

Qualifications

Chapter:

Samson Morim chair 2017-2018

Spring Convention 2019

Winter Convention 2018

Winter Convention 2019

2018 RLTI

2019 RLTI

2020 RLTI

Beyond the words:

The passion, hard work, and loyalty I have put into the Nassau Suffolk Region and Samson AZA is unparalleled. This will not stop at any time throughout my term and I will ensure dedication to growing, improving and making this the best region in the International Order.

Ideas

Increase Regional Brotherhood

- As Ozer, I would create more multi chapter events. Whether this means 2 chapters or 5 chapters, these meetings will build bonds between Alephs across the region.

Grow NSR

- If elected, I will work with the rest of my board to expand NSR to towns with potential to be successful chapters. NSR doesn't extend past Smithtown. This means there is huge opportunity to build new chapter and increase the size of our region.

Mentor, Mentee

- This program will include older, more experienced leaders that will get paired up to younger leaders in developing chapters. The older members will guide and assist the young leadership. This will help increase brotherhood and strengthen developing chapter.

“Being happy is the goal, but greatness is my mission.” -Childish Gambino

Goals

Increase Programming Quality

- One of my main focuses throughout this term will be making sure programs are superb. This is the most important thing to every chapter, big or small. Before every program I will have a call for a meeting with the leaders of the program to make sure it is ran effectively and to its potential.

Grow Number of Alephs in NSR

- I will work with the Morim of each chapter along with the Regional Moreh to provided and assist different strategies to reach the maximum possible number of members at each event and that are apart of the chapter.

Attend Chapter Events and Support

- As Ozer, I will attend every possible event for each chapter. At the end of each event I will assess with the board what the pros and cons of the meeting were and how we can make it better for the next event. I will be able to drive in December 2020 but until then I have people around will who will help me attend all meetings so can stay dedicated to my duties.
