Caucusing for the High and Honorable Position of Your

63rd Regional Sadranit

"Your wings already exist... All you have to do is fly"

My Sister B'nai Brith Girls,

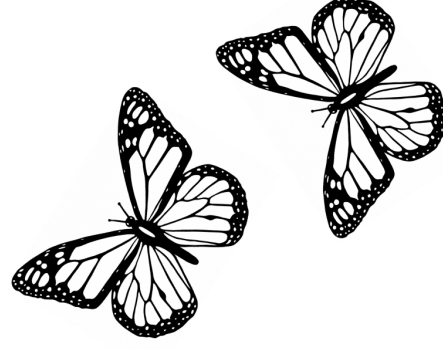

"To exist is to change, to change is to grow, and to grow is to become **THE BUTTERFLY** you were always meant to be." Our time in BBYO is just like the lifecycle of a butterfly. When you first join BBYO, you are a small caterpillar, unsure of where you truly belong in this organization. As time goes on, you learn to grow and by the end of your last BBYO spring convention, you are a strong and beautiful butterfly. Over the years you have grown as a person, a leader, and most importantly a BBG. Convention is the place where I was able to grow, and I want to show that to all of you. With me as your Sadranit, I will help each and every one of you transform into the amazing butterfly you were meant to be. I plan to work tirelessly with the help of the steering committees to create new electives and programs that will make convention the best two weekends of your year and help create memories that will last a lifetime. So NSR, fly with me and let's make this region a bright and beautiful place for each BBG butterfly to flourish.
