

# ARIANNA RACHEL ALAMO

is caucusing for the high and honorable position of the Nassau Suffolk Region's 63rd regional Sh'Licha

My Sister B'nai Brith Girls,

The sun is 4.6 billion years old. It has seen the birth of our religion. It has seen our triumphs, it has seen our failures. It has been with us through the hardest of times, endured the darkest days, and shone upon the most historic moments of our history as Jewish people. Despite the events of the world, the sun rises and sets each day. It perseveres. It has seen lifetimes come and go, billions of times over. We look to the sun for guidance. To give us warmth, light, and inspiration. In hopes that we too, as a Jewish people, will persevere. And just like the unyielding sun - we have, and we will. We as a people, persevered billions of times over. To escape from bondage, to find the Holy Land, to end war, to free ourselves from concentration camps, to fight anti-semitism and Holocaust deniers, to come together as a community in the face of darkness, and show support for our brothers and sisters that have been victims of hate crimes, and shootings. There has never been a more important time to take notes from the sun. To persevere, to be a light through times of darkness, to be supportive, strong, and unyielding, We are the Jewish people, and together, we will persevere.

Submitted with undying love and devotion for the sun, perseverance, strength, light, every victim of hate crimes committed against the Jewish people, coming together, every radiant BBG in this room, NSR# 19 and my heart and home Hakotel BBG #8260,

I forever and always remain,

*Arianna Rachel Alamo*
