My Sister B'nai B'rith Girls,

"The sweetest times of the year are the times we share." It's times like these that make being a BBG so special. We come together, full of support, hard work, love, passion, happiness, and so much more. We are the B'nai B'rith girls and we are strong. The Nassau Suffolk region has the potential and capabilities to recruit new members, start new chapters, and spread sisterhood. Every Jewish girl deserves to experience what it is like to be a B'nai B'rith girl. As your S'ganit Rifka I will help to ensure every BBG lives the SWEET BBG dream. I will be there for the prosperity and success as well as the downfalls and bumps in the road. Together, we will work to make each and every chapter sweeter than candy!

Submitted with undying love and devotion for candy, new experiences, NSR #19, and my heart and home Genesis BBG #2350, I forever and always remain

*Ava Paige Lieberman*
