*My sister B'nai B'rith Girls,*

*Pride comes in so many different forms. You can be proud of yourself, your friends, or your family. Sometimes when things aren't going your way it can be hard to find something to be proud of, but if you look hard enough something is always there.*

*When I first joined BBYO my chapter was struggling. We were small and I hadn't made many friends yet. I did not think there was anything to be proud of regarding my chapter, but I quickly saw just how wrong I was. I saw how friendly, kind, and passionate everyone was in my chapter. I saw how hard people were working to get the chapter to grow. My pride and my friend's pride for the chapter began to grow and now our chapter is doing better than ever.*

*Every single BBG has something to be proud of. It could be your chapter, something you helped plan, or just knowing you helped make BBYO someone else's home. If we all work together to make our region strong, there are no limits to what we will have to be proud of.*

*Submitted with undying love and devotion for pride, working together, NSR #19, and my heart and home Summit BBG #2299, I forever remain*
