

Emma Lindsay Dorfman

ONE DAMN PROUD CANDIDATE FOR THE HIGH AND HONORABLE POSITION OF THE 63RD AYM HA-CHAVEROT OF THE NASSAU SUFFOLK REGION

My sister B'nai B'rith Girls,

With sunlight and proper care, a seedling turns into a beautiful sunflower. With nurture and love, a new member turns into a thriving BBG. NSR, is a sunflower field, and we have the most beautiful sunflowers in it. BBYO has not only helped me grow into a flower, but grow as a person, a member of the community, and most definitely as a leader and a Jewish woman. Since BBYO has helped us so much, it only makes sense to give back. Just like the sun helps the sunflowers grow, we must step up to the challenge and grow our extraordinary region. It is our time to shine. We can't teach someone to love BBYO, but we can shape BBYO into a place that it's so easy to love. I am passionate, and ready to rise to the occasion. Are you ready to grow the sunflower field?

Submitted with undying love and devotion for sunflowers, CLTC 4 2019, Perlman 2020, Nassau Suffolk Region #19, Masada BBG #1519, and every BBG of the past, present and future.

I forever remain,
Emma Lindsay Dorfman
