My sister B'nai B'rith Girls,

If you have ever visited a diner I'm sure it wasn't for the exquisite cuisine, but rather the great company and environment. Diners are known for "service with a smile" which creates an inviting setting for customers to want to return to. I hope I can make people feel this way about convention. My first convention is where BBYO became my second home and where my friends became my second family. I will always remember that weekend as the weekend I fell in love with BBYO. I am confident that if given the opportunity I will be able to make my fellow BBGs fall deeper in love with this organization and continue to make memories as well as friends that will last a lifetime.

Submitted with undying love and devotion for, "service with a smile", local diners, unforgettable conventions, NSR #19, and my heart and home Summit BBG #2299, I forever remain
