

TALIA FAYTH MOSES

CAUCUSING FOR THE HIGH AND HONORABLE
POSITION OF YOUR 63RD REGIONAL S'GANIT RIFKA

My Sister B'nai B'rith Girls,

Every few years, athletes from all around the world-who have been training for years-come together to compete for the famous gold medal. The Olympics are one of the biggest international events to be held in our time, and they are completely focused on camaraderie, teamwork, and determination. NSR and the BBGs of Suffolk County are not much different. All year, girls are constantly putting in hard work to strengthen their chapters leadership, membership, and programming, not just to keep their members involved and excited, but to show the region, and the international order what they have to offer. With me as their coach, I am positive that the BBG chapters of Suffolk County will be stronger, bigger, and filled with more sisterhood than ever before. If we all work together, I know that we can win that gold medal.

Submitted with undying love and devotion for strength, teamwork, going for gold, Summer Olympics 2021, NSR #19, and my heart and home Genesis BBG #2350, I forever remain
