Show Description:

Dear BBGs of NSR,
When you binge watch a show like many of us do you put a lot of time, focus and dedication into watching it. If elected as your 63rd Sh'licha I promise to put as much effort as I do into watching Grey's Anatomy as I do into Shabbats and Judaic programming. Just like theres a show for everyone on Netflix I believe that there is something for everyone in Judaism.
