My Sister B'nai Brith Girls,  
It is vital for us to come together as a BBYO community and grow together. Lately, the world has been hitting us with obstacles left and right on a personal, and even a global level. In order for us to overcome this, and all problems that we face, we will have to grow as we go, or falter and fade away. It's up to the 64th regional board to continue to make BBYO the amazing outlet for all our stress and problems. Even though we've suffered this past year and a half or so, we can come together and grow from these experiences, and learn what what works and what doesn't. What's important is that we grow as we go and don't let the problems we face, beat us. Submitted with undying love and devotion for the mercats, Ben Platt, NSR #19 and my heart and home L'yam BBG #0117, I forever remain

*Gabrielle Pine*

One damn proud candidate for your 64th  
Regional S'ganit Nassau

# GOALS AND IDEAS

- Attend all board and chapter meetings for all Nassau chapters by creating a calendar for myself
- Create events for Nassau (bonding and community building)

- Make myself easily accessible to all BBGs: get back to people within 24 hours, make sure any counterpart or new member has my contact information
- Make sure all board members are active and doing their job

- Have chapters make a list of prospects as well as new members to reach out to throughout the year and keep them engaged with BBYO
- Increase Chapter Incentive by having people win bbyo accessories after attending a certain number of events

- Stay connected with S'ganit Rifka and Regional N'siah
- Engage with all Nassau chapter boards whether text/call/Groupme twice a month
- Increase summer program attendance
- Increase International Program attendance/RLN

- Help each chapter plan out a calendar and organize all their goals for the year as well as a chapter constitution
- Increase 2-3 chapter events to help ease newer members into regional events and involvement

- Maintain strong relationships with all Nassau N'siah
- Monthly calls with counterparts
- Reach out to counterparts twice a month
- Keep N'siah of the month going
- Have more inclusive programming by communicating more with the LGBTQ+ Task Force

- Plan brother/sister chapter events to increase the bond
- Increase clarity and communication with their brother/sister chapters
- Have chapters get a sweetheart or beau to better engage the brother/sister chapters

- Reach out to chapters with little bbyo presence or low membership and help them brainstorm ideas for events and better involvement
- Brainstorm with chapters where they need improvement in their chapter and how to fix it
