My Sister B'nai B'rith Girls,
Crayons allow you to fill a blank paper with color. You have the opportunity to take this blank piece of paper and make it something completely unique. BBYO is your box of crayons and your journey starts as a blank page. Every opportunity you receive is a new crayon that you can use to color in your BBYO experience and make it more exciting than ever before. If elected, I will aid each Nassau Chapter in using their crayons in the most creative ways possible and create bright and colorful futures. Together we can accomplish everything imaginable.
Submitted with undying love and devotion for crayons, NSR #19, and my forever heart and home Citadel BBG #0460 I forever remain
