My sister B'nai B'rith Girls, Neverland is a place where anyone can go to feel accepted, make their dreams come true, and find their true purpose. However, without fundamental parts of the island, such as the lost boys and treasure chests, it wouldn't function properly. BBYO is our Neverland. NSR would not be able to fly or reach our full potential without key values such as fundraisers, ISF, and shuk (and a little bit of pixie dust of course). Similar to Pan and Hook searching for treasure, I will do my best to instill unique, meaningful and interactive fundraisers for our treasure. Additionally, I will do this with ISF creating a virtual hype week. Every BBG deserves to be able to experience BBYO, which is why scholarships are so important. Lastly, shuk brings everyone together under the common love of BBYO clothing, just like how everyone unites on the island under their common goal of treasure. This is why I would like to take shuk to the next level by creating an online website that sells shuk periodically throughout the year. Neverland is a place where dreams come true, and anyone can come to be their true self. It would be be my absolute dream and pleasure to serve as the 64th Regional Gizborit, in helping build our Neverland.

Submitted with undying love and devotion for Neverland, Peter Pan, searching for treasure, NSR #19 and my heart and home Summit BBG #2299. I forever remain Kaitlyn Mara Rosenzweig, one damn proud candidate for your 64th Regional Gizborit and an even prouder B'nai Brith Girl

GOALS AND IDEAS

Fundraisers:

- Create engaging and unique fundraisers (Walks for change, Sporting tournaments)
- Color war
- Instill at least two outside/separate fundraisers per chapter a year
- Sedekah box at chapter/regional meetings
- Ensure that each individual chapter has a clear stand up cause, and have at least one event dedicated to it. (ex; brunch, restaurant fundraiser, raffles)

Scholarships:

- Create a chapter scholarship bank account with money put aside from meetings
- Consistently advertise scholarship availability
- Make scholarships readily available to all BBG's
- Hold a fundraiser specifically dedicated to raising money for scholarships

Shuk:

- Create an online store/website that will sell shuk periodically throughout the year, not just at convention
- Sell shuk at IC 2022
- Shuk chair
- Release a shuk manual a week prior to it going on sale at convention

Counterparts:

- Create a group chat that is consistently active
- Form strong relationships with all of my counterparts
- Be in constant communication with my AZA co
- Instill bi-monthly meetings with all of my counterparts

ISF:

- Raffles at chapter/regional events
- ISF social media hype week
- Work with S'ganim to incorporate ISF programs into chapter/regional meetings
- Dedicate a portion of both chapter/regional programs to ISF education

Personal goals:

- Constant communication with the rest of the 64th regional board
- Embody my position with dignity and pride
- Work with staff to send monthly emails to counterparts regarding their bank account balance
