MY SISTER B'NAI B'RITH GIRLS,

Each NASCAR race follows a relatively similar route. It begins with anticipation, racers start their engines as they're about to begin a path that's been followed by others for generations. Throughout the race, it takes a team of well equipped people to fix the car and make sure it can continue its route to the best of its ability. The track is similar to a year in BBYO. Each year, for generations, has been the same. We follow the same traditions and pass down legacies. We teach others to love Bbyo the way we have learned to and it is what makes this organization so special.

While it is so reoccurring, the programs are what differentiates each year from the next. The teams of people are like boards and committees that help design programs and create environments which attract members and ensure their year goes smoothly. We each round the track four times. We go from point a to point b, no matter what. Some races go smoothly, others experience bumps, like a pandemic and having a virtual year. Regardless, the strength of sisterhood and tradition is what pushes us to the finish line. So, in a time where we all feel a little out of control, put the wheel in my hands, and let me help steer us in the right direction.

SUBMITTED WITH UNDYING LOVE AND DEVOTION FOR MAKING MY FINAL ROUND, SISTERHOOD WITHIN THE NASSAU SUFFOLK REGION, NSR #19, AND MY HEART AND FOREVER HOME GENESIS BBG #2350 I FOREVER AND ALWAYS REMAIN MAYA LYNN POLESE. ONE DAMN PROUD CANDIDATE FOR YOUR 64TH REGIONAL S'GANIT
