My sister B'nai B'rith Girls

Your favorite binge-worthy TV show is supposed to bring you a sense of comfort and joy. I envision NSR leaving every BBG with the same feeling after each convention. When starting a new show, you slowly become more invested because you have that one character or episode that gets you hooked on the series. For BBYO, my moment was my first convention. I fell in love with BBYO because I found my true self at convention and it was the most unforgettable experience. I promise as your 64th Sadranit, I will guarantee the same sensation to every member of the entire region. Serving on the Opening Ceremonies Committee and having had an opportunity to work closely with the 63rd Regional Sadranit gave me crucial insight into planning a successful convention. With your support, I will maintain our favorite traditions, preserve the sisterhood, and create new memories. So NSR, let's find our episode in the next season, together.

Submitted with undying love and devotion for: Barney Stinson, amazing conventions, steering, Nassau-Suffolk Region #19, my forever heart and home L'Chaim BBG #2148. I forever Eden Sara Spielman, one damn proud candidate for your 64th regional Sadranit.
