### My sister B'nai Brith Girls...

This past year we have faced many challenges, but we have learned to grow with the flow. The pandemic has stunted BBYO's growth this past year. As your 64<sup>th</sup> Regional S'ganit I am committed to helping the region and all chapters rebuild after a difficult year. This upcoming term I want to reengage members by planning more engagement events. I will do this by working with my regional counterparts to provide events such as BBGG tournaments, NSR prom, BBYO model UN and so much more. I plan on creating a senior committee to help implement senior activities. Happiness blooms where seeds of love and joy are planted. I hope to reengage members by providing them with phenomenal experiences. We are going to see that it was better that we grew up together.

Submitted with undying love and devotion for nature, growth, NSR #19 and my Heart and Home Masada BBG #1519

I forever remain

*Stephanie Pincus*

One damn proud candidate for your 64<sup>th</sup> Regional S'ganit.
