

CANDIDATE FOR THE 64TH REGIONAL SADRANIT EDEN SPIELMAN

Vision Statement: I envision NSR in prosperity. I believe convention weekends should be filled with adrenaline, laughter, and meaningful programs. My plan is to always be prepared for any situation at convention. As your Sadranit, I will work closely with both the steering team and my AZA co to make sure each program is well thought out while incorporating new concepts to keep each convention engaging. A successful convention involves inspired members and excited leaders. I have several ideas to bring all of these components together to create a perfect convention. A few of these ideas include roommate surveys, post convention feedback, and polls to help the steering team run the most beneficial programs. The only way to grow and improve is through the use of constructive criticism from the region, which is why I feel post convention surveys will benefit me; anonymous feedback on what worked well will provide necessary insight for my counterpart and me for future events. A roommate survey will help me put pairings together that would complement one another. If I am your Regional Sadranit, I promise to plan, prepare, and oversee the best conventions for NSR! **Tell us about yourself:** I see myself as a dedicated and hardworking individual. I have perfected the use of essential time management by balancing several aspects of my daily life. I pride myself on advocating for my own needs and plan to do the same on behalf of NSR. I have always been a natural leader because I possess some defining qualities including my unlimited capabilities and undying motivation to strive for greatness in all I do. My immense experience with taking charge of large groups makes me an excellent candidate for the 64th Regional Sadranit! **Why are you running for this position?:** I am running because I strongly believe I am the best candidate for the position. I hold crucial leadership skills; my high spirit and intense energy will keep positivity radiating throughout all of convention. Convention always has been my favorite weekend in the entire programming year and I want to provide that same feeling for all of NSR. I built some of the most long lasting friendships with insanely meaningful experiences and I aspire to make convention even better! **What makes you a strong leader?:** I am a strong leader because I pour my heart and soul into everything I do. My experience on chapter board this past term has given me skills to work with all kinds of people and find a compromise of all ideas for programming any event. I always plan ahead and work in a timely manner. I have a love for seeking new opportunities. I will keep the region's best interest at heart. I am a role model for the girls in my chapter and feel I could serve as one for all of the BBGs. **What will you contribute to NSR's next term?:** If elected to serve, I will plan two dynamic and memorable conventions and be an active board member on the regional board, and for my focus chapter. I will continue to open new leadership roles for all members. With me as your Sadranit, I promise to put my best effort into all things convention and keep NSR's flourishing success as my number one goal.
