

CANDIDATE FOR THE NASSAU SUFFOLK REGION'S 64TH GIZBORIT

Kaitlyn Rosenzweig

VISION STATEMENT:

If elected as your 64th Regional Gizborit, I plan on elevating fundraisers to form unique and meaningful experiences for every attendee. My goal is to have at least two regional fundraisers, one in the fall and one in the spring. These fundraisers will not just be limited to restaurants. For example, we can host walks for change, color war, and virtual raffles. Additionally, another goal I have is to work with the Mazkirim to create an online shuk store. At the shuk store, you would be able to purchase shuk anytime during the year, not just at convention. I would also like to create an ISF hype week in which daily fundraisers occur to support the ISF such as venmo boards, and contests to win BBYO swag. Especially during the COVID-19 pandemic, it has been hard for many families to afford to pay for BBYO events. I firmly believe that no member should have to miss out on a BBYO experience, because they cannot pay for it. Furthermore, I will constantly promote scholarship availability, making it even more available to the community. I also want to create individual chapter bank accounts from money spent on meetings, to put aside for scholarship availability. I will instill bi-monthly calls between all of my counterparts, to get to know them and their chapter's needs on a personal level. In addition, I will remain in constant communication with my co and regional staff. Lastly, I will embody my position with dignity and pride, serving as a role model for aspiring members to come.

Tell us about yourself. Why are you running for this position? What makes you a strong leader? What will you contribute to NSR's success next term?

I am running for your 64th Regional Gizborit because BBYO is my absolute passion. Additionally, I am specifically passionate about fundraising, shuk, ISF, and raising funds for the region, contributing to its success. I am a strong leader because I am passionate through everything I do, have good time management skills, work well with others, and serve as a role model. Additionally, I speak well in front of crowds and work to spread positivity in everything that I do. I will contribute to NSR's success next term by elevating fundraising to form unique and meaningful experiences for everyone attending, creating more shuk experiences throughout the year, and educating the region on ISF.
