

CANDIDATE FOR THE NASSAU SUFFOLK REGION'S 64TH AYM- HA CHAVEROT

Nicole Maxx Rosen

Vision Statement:

My sister B'nai B'rith Girls, I, Nicole Maxx Rosen, am caucusing for the high and honorable position of your 64th Aym Ha Chaverot. My most important goal to accomplish this term is to find the future leaders of NSR and create an environment in which they can thrive and feel comfortable. By serving as your 64th Aym Ha Chaverot, I am going to make it my number one prerogative to create a foundation for MITs to utilize to find their place in NSR. Additionally, I want to work to create an environment that shows all upperclassmen that they are appreciated and vital to our region. If elected, I pledge to work my hardest to ensure that every BBG in NSR feels the same love, passion, and comfort in BBYO as I do.

Tell us about yourself. Why are you running for this position?

I love BBYO. Plain and simple. I have gotten so much out of this organization, friends, leadership, a connection to my religion, and comfort in myself. I have learned so much about myself and relationships with others and BBYO has become a place where I can be 100% myself and still be loved and accepted. I am caucusing for the high and honorable position of NSR's 64th Aym Ha Chaverot because I want to find the future leaders of NSR and help a new group of girls to find in BBYO what I did.

What makes you a strong leader?

The number one quality of mine that makes me a strong leader is my adaptability. I can make the best of any situation and work my hardest to make sure everyone around me is enjoying themselves. I am also very organized and friendly. These are two very important qualities of mine that make me a perfect fit for the position of Aym Ha Chaverot. My organization will help me to keep track of all new members and make sure NSR is utilizing its time and energy in the best way. My friendliness will help me to form real bonds with the MITs of NSR. I love to meet new people and make new friends and as 64th Aym Ha Chaverot, I will have the perfect platform to be myself while finding the future of NSR and sustaining the present.

What will you contribute to NSR's success next term?

I will give NSR's 64th regional board my all. I will work with my fellow board members to ensure the future of NSR is just as passionate as we all are. I want to encourage new members to go out of their comfort zone. Chapters are amazing, but if they're like me they will find their best friends regionally. I want to create a community in which members feel they can make regional friends on their own and not necessarily with their group of friends from home. I also want to work on recruiting older members. Joining in 10/11 grade can be hard, but BBYO is a place for everyone even though we traditionally tend to only focus on the younger girls. While they are important it is also important that we remember to reach out to everyone of all ages to get them involved.
