My Brother Alephs,

I stand before you today with a vision of unity amongst the brothers of the Aleph Zadik Aleph in RMR. A region where ideas and goals are achieved together by Alephs from all chapters and ages. A region where brotherhood is shared across the boundary of chapter membership and where young leaders have all the resources they need to make lifelong friendships and priceless memories. Together, we can reimagine the programs and opportunities that make our region great. We are never too many, never too strong, we are always AZA. Fraternally Submitted, with undying love for Hank Greenspun AZA #705, Rocky Mountain Region #25, The Grand Order of the Aleph Zadik Aleph, and to the future and prosperity of the Aleph Zadik Aleph in RMR, I humbly remain,
