is aspiring for the
high and honorable
position of Rocky
Mountain Region's
65th Regional
MIT MOM

My letter to you,

I want to share how I found my fit in the position of MIT Mom. At the beginning of my eighth grade year, I knew absolutely nothing about this organization and what I wanted to get out of it...until I learned what a MIT Mom is. MIT Moms have this amazing power and responsibility to make everyone feel included and valued, and this is what drew me to BBYO in the first place. As I became more involved, I knew that I wanted to give back to the incredible and supportive community that has given me so much. Within RMR, there are so many amazing opportunities, and I want every BBG to find her perfect fit.

Submitted with undying love for puzzles, MITs and new members, SRC 2020, CLTC 8 2019, my heart and home Tikvah BBG #2550, and all of you, I forever remain, Abigail Perel Shapiro, your damn proud candidate for Rocky Mountain Region's 65th Regional MIT Mom.
