

HANNAH SOPHIE CANTOR

ASPIRING FOR THE HIGH AND HONORABLE POSITION OF
ROCKY MOUNTAIN REGION #25 65TH REGIONAL S'GANIT

Who: To help out the S'ganit in any way I can and to build strong, fun, and engaging programs for all.

What: To support programming that occurs in our region. To be a resource for program planners. To ensure chapters are supported as they brainstorm, develop, plan, and execute amazing and meaningful programs.

Where: Rocky Mountain Region #25's **amazing** chapters

When: 24/7/365

Why: Programming is what fuels our movement. If there is not strong programming, then our movement will not be running smoothly. I want to support every chapter S'ganit so she can use her skills to the fullest extent and plan amazing programs for each and every one of you.

Brainstorm:

- Have a detailed program outline (like this!)
- Always reflect after programming
- Elevate each program to the next level
- **Strong 6 fold programs**

Folds:

- Creativity ~ Each program showcases what the chapter can do.
- Community Service ~ Tikkun Olam – Repairing Our World!
- Jewish Heritage ~ Each program should incorporate a Jewish aspect.
- Recreation ~ Let's get moving! Get outside! Focus on our Mind, Body, and Attitude. BBGG.
- Sisterhood ~ Why we are all here; let's get closer with one another and develop amazing friendships.
- Social Action ~ Use your voice! Educate each other about the world we live in.

Outline/Timeline:

- Monthly check-ins as a group and one-on-one time with each S'ganit to form a strong connection
- Ensure S'ganit are reflecting after every program so that we can continue to learn and grow
- Use RMR's program planning checklist as a template, and modify it to fit each chapter's needs
- Calendar funnel - focusing on a variety of programs that are well spaced out throughout the term

Script: My Sister B'nai B'rith Girls of Rocky Mountain Region #25,

In these crazy times, there is something so special about being a B'nai B'rith Girl. The sisterhood, community, and place that we can all call our home no matter what. Programming is what brings us together. No matter what, BBG programs will keep us connected. I want to bring these connections back even stronger to make RMR the best place to be. We are together as one, forever united. It is our turn. Tomorrow happens here.

Submitted with undying love for RMR #25, 1210, CLTC 5 2019, Lev Zohar BBG #7214, Full Perlman 2020, outlines, programs, spooey for life, yellow and blue, and each and every one of you.

I forever remain,

HANNAH SOPHIE CANTOR, your DAMN proud candidate for the
High and Honorable position of **RMR's 65th Regional S'ganit!**

hannah♥
