My Sister B'nai B'rith Girls.

The last three and half years of my life have been spent deeply involved in Rocky Mountain Region. My experiences have taught me how to **find my voice**, how to **stand up for what I believe** in and how to **share my passion** with those around me. But most importantly, it has given me a purpose. **It has taught me my 'why'**. To ensure every girl, no matter who they are or where they come from, finds their place in RMR. I promise you that I will work my hardest to strengthen our chapters and region so we can build a sisterhood **every** girl can call home.

I forever remain,

Margalit Leah Goldberg
