REGIONAL S'GANIT

MY SISTER B'NAI B'RITH GIRLS,

Recently, all our lives have turned upside down. In this time of isolation, the most important thing (besides staying 6 feet apart) is strengthening our community. From BBYO On Demand to Facetime sessions with other BBGs, our collective commitment to being there for each other through uncertain times is proof of the unifying power of BBYO.

As the 65th regional S'ganit, I will strive to preserve the power of BBYO and ensure we emerge from quarantine stronger than ever. Since programming is the lifeblood of our organization, I promise to take a detailed look at every chapter in order to support the unique needs of each group. I want to be a S'ganit for all of RMR, always working toward unity. We are resilient, powerful, and beautiful inside and out, and I hope to be able to help lead RMR into the future.

Submitted with an undying love for V'ruach BBG 20#1, Friends, oratory, redbubble stickers, color coding, summer, impulsively dying my hair, my bullet journal, programming, Rocky Mountain Region #25, and each and every one of you. I forever remain,

Talia Gavriella Richard-Lande.
