**Aspiring to be the high and honorable position of  
57th Dixie Council Godol**

My brother alephs, and my sister  
b'nai b'rith girls,

Dixie has given me the time  
of my life. Many of you here are  
examples of how great things can  
come out of such an unknown  
place like this. There is no higher  
honor than to be your Godol, your  
leader, and your friend. We are  
unique and therefore require  
unique leadership willing to do  
everything possible to achieve  
success. I will be that Godol for you.  
Dixie has been making strong  
efforts to improve, but our work is  
far from over.

  - This would allow a better understanding for each chapter's situation to better help them.

## **CHAPTERS**

- Have a fall and spring kickoff in each city
- Inter-Chapter Programs
  - Dixie is located in different cities that offer unique experiences and collaboration among cities will give members a chance to meet each other resulting in a stronger and more dynamic council.
