

Hadassah Liora Sternfeld

▪ qualifications ▪

I am a strong, proud, Binai Brith Girl and a proud member of BBYO. This year, I will strive to ensure that everyone has a home in BBYO. I want to create programs that will remind people why they love BBYO. Every time I go to a program, convention, or anything in between, I feel welcomed with open arms and I want to make sure that others feel the same way too. Together, we can accomplish our wildest dreams for both Dixie Council and Eastern Region.

**Respectfully submitted with undying love,
I forever remain,**

Hadassah Liora Sternfeld,

▪ goals & ideas ▪

Dixie Council Goals

- Increase attendance at conventions and other events by planning unique, interesting, and meaningful programs
- Encourage older members to stay engaged by giving them leadership positions
- Increase the amount of programs about Judaism and Israel
- Have programs that discuss BBYO Summer Experiences in order to increase attendance
- Work with Council Morim to grow membership
- Have monthly calls with chapter counterparts to discuss chapter programming and tactics to increase attendance

Regional Convention Goals

- Work with Dixie/NCC/VAC Morim in order to increase attendance at regionals
 - Personal goal is 250
- Work closely with Regional Leadership Network to ensure creative and interesting programming
- Have bi-weekly calls with counterparts and staff about the convention
- I will work closely with my counterparts and staff to ensure that the Captains and Steerers are all chosen carefully
 - I will also be available for any questions that they have about convention or program planning

Counterpart Goals

- Create a regional S'ganim group chat
 - Maintain constant communication and have biweekly/monthly calls
- Create a group chat with all the chapter S'ganim in Dixie Council
- Be a liaison between the International S'ganim and all other counterparts in Eastern Region and Dixie Council
- Create a Google Drive folder with a S'ganim toolbox to be shared with all counterparts for use at chapter and regional events
- Be open minded when it comes to types of programming
- Be able to solve conflicts or disputes easily
